## High School Counselor

Miranda Parham graduated from the University of Central Oklahoma with a Bachelor of Arts degree in psychology with a minor in sociology and journalism. Ms. Parham's dream is to work in education as a counselor and offer encouragement and advice throughout the important high school years.

In her free time, Ms. Parham enjoys fishing and relaxing with friends, family, and her dog, Rocket. She is a huge movie fan, especially for the Marvel franchise.

She is beyond excited to be part of the ASTEC family and even more excited to see what is yet to come for our scholars.
