

Alexandra (Alex) Sena

Drama

Alexandra Sena was born and reared in Carlsbad, New Mexico, and found her passion for theater at her local high school. She was involved in many organizations such as dance, student council, was editor in chief in the yearbook, and president of her theater club.

Ms. Sena received an acting scholarship for Eastern New Mexico University, solidifying her decision to attend and major in theater.

During her studies, Ms. Sena helped build and taught an after-theater program for young students attending elementary/ middle school. She was also active on campus with greek life, the Associated Students Activities Board, student government, was the co-coordinator for freshman orientation, and won Homecoming Queen 2021, all while acting in shows and films. Dedication and hard work paid off when Ms. Sena graduated Magna Cum Laude with a Bachelor of Science in theater.

Ms. Sena is now an official resident of Oklahoma and is excited to work with ASTEC's faculty, staff, and administration to continue to spread her love of theater to the upcoming students.

Ms. Sena's motto is "Dream big in a small world," and she hopes to remind each student that walks in her classroom to never give up on what they believe in.
