

Chris Schat

6th Grade English

Chris Schat grew up in Noble, Oklahoma, where he developed a passion for speech and drama. He studied philosophy and graduated with a Bachelor of Arts in letters from Randall University in Moore, Oklahoma. Wanting to do more in education, Mr. Schat attended an additional year at Randall in the education program, where he received a Bachelor of Science degree in secondary English and then began his teaching career.

As part of his teaching position at ASTEC, Mr. Schat is a mentor for both Starbase, a science and engineering club, and Future City, an engineering education program for middle-school students. Future City is project-based and helps scholars imagine, design and build cities of the future using engineering principles. Mr. Schat's ASTEC Future City team has won third place more than once.

Mr. Schat is proud to have received the ASTEC Middle School Teacher of the Year award. After teaching 6th Grade Reading Enrichment for his first many years, Mr. Schat teaches 6th Grade English at ASTEC.
