

Tiffany (Megan) Rangel

Physical Science

Tiffany Megan Rangel is from North Carolina and recently moved to Oklahoma from Amarillo, Texas.

Ms. Rangel spent 10 years in the United States Air Force as a medic. She worked in diverse locations with various job titles within the military and loved every minute of it! Her passion is people and helping others.

Ms. Rangel completed a Bachelor of Science degree in health science and technology and an associate's degree in allied health and science from Thomas Edison State University. She has completed various leadership academies and multiple green belt and yellow belt training programs in quality assurance.

Ms. Rangel is a mother of two wonderful elementary-age boys. In her spare time she loves to spend time with her sons playing outside,
