

Raeana Smith, M.S.

Elementary Physical Education

Raeana Smith was born and reared in Oklahoma City. She received her Bachelor of Science degree and Master of Science degree in kinesiology and health with a focus in exercise science from the University of Central Oklahoma.

After working 20 years in the fitness industry, Ms. Smith acquired an alternative teacher's certification in physical education, health, and safety in grades PreK-12th.

Ms. Smith gained experience as a classroom and a PreK - 12th grade virtual teacher and an adjunct health and wellness professor for undergraduate students.

When she is not teaching, Ms. Smith enjoys reading, exercising, and spending time with her husband and three teenage children.

As an ASTEC teacher Ms. Smith's goal is to introduce students to physical education standards in a way that is fun and unique. She hopes students will enjoy and grow in their knowledge of safety, fundamental skills, exercise, health, wellness, and nutrition.
