

Calvin Andrews

Pre-Algebra/Algebra I

Calvin Andrews holds a Bachelor of Science degree in mathematics and a Bachelor of Arts degree in philosophy from Southwestern College in Winfield, Kansas. He has been teaching mathematics for over two decades in Kansas and Oklahoma.

Mr. Andrews was reared in Kansas. He currently lives in Enid, Oklahoma with his wife Gina. Together they have eight beautiful children and seven grandchildren spread over the Midwest.

During his college career, Mr. Andrews played football at Southwestern College and enjoyed singing in the choir and participating in Fellowship of Christian Athletes. He loves to teach and to help young people accomplish their dreams.
