## PreK Teacher

Margaret Moser has been in education for many years. She graduated from the University of Central Oklahoma with her Bachelor of Science degree in elementary education. She went on to gain licensure in early childhood education and English as a second language. Ms. Moser has taught at the elementary level her entire career and is bilingual in both Spanish and English.

In her spare time, Ms. Moser enjoys traveling and spending time with her large family as well as volunteering at her church with the ESL ministry. She looks forward to making this year the best year yet and to helping create the ASTEC Elementary School family.
