

Luis Garcia, M.S.

High School Math

Luis Garcia holds both a Bachelor of Civil Engineering and a Master of Finance degree. He is originally from Honduras and retired from the United States Embassy, where he worked as a facilities management engineer.

Mr. Garcia also worked as a college teacher in Honduras, teaching financial management and engineering drafting. He has an Oklahoma teaching certificate for Spanish and math. He most recently taught high school Spanish in OSSM and Putnam City High School. Mr. Garcia is very excited to be a math teacher at ASTEC.

Mr. Garcia and his wife Elvia have three children and live in Oklahoma City. He enjoys reading, working out, painting and recently started a backyard vegetable garden.
