

Tania Kalb

7th Grade Math

Tania Kalb graduated from Stephen F. Austin State University with a Bachelor of Science degree in interdisciplinary studies with a mathematics concentration. She has more than a decade of experience, teaching mostly seventh grade math in Houston, TX, where she served as the math department chair in Houston ISD and was one of 18 teachers selected to participate in a federal program in 2009 known as The Talent Transfer Initiative.

Ms. Kalb sponsors the ASTEC Math Club and is the high school cheer co-sponsor.
