

# Shari Wile

## 7th Grade Technology

Shari Wile, a veteran of the United States Air Force, graduated magna cum laude from Northeastern State University in Tahlequah, Oklahoma, where she earned a Bachelor of Business Administration degree in management information systems. Ms. Wile was then a systems analyst, and enjoyed being a programmer until her daughter was born.

Ms. Wile educated her children at home in their early elementary years, and later began guest teaching at their school. Ms. Wile fell in love with teaching and pursued her Oklahoma teaching credentials. She completed her graduate level courses at East Central University, in Ada, Oklahoma. Although her certification area is in computer science, she began her teaching career teaching 6th grade math.
