

Linda Birsner

6th Grade Reading

Linda Birsner grew up in Tulsa, Oklahoma. She received her Bachelor of Science degree in social studies secondary education with a psychology endorsement from Oklahoma State University. She has been a Love and Logic facilitator and trainer and served as a presenter at many conferences and workshops.

Ms. Birsner has invested in the lives of children throughout her career as a director of children's ministries and as a mom to her four children. She has also shared her home with numerous foster children and international students.

Ms. Birsner loves to read with a cup of tea and likes to watch movies with her husband, Cody. She takes every opportunity to kayak with her friends. Ms. Birsner walks her dogs every day and loves to camp, travel, worship, and eat with her family. She loves breaking bread with others over great conversation and food.
