

Jonas White

Speech and Drama

Jonas White is from Oklahoma City and graduated from the University of Central Oklahoma, with a Bachelor of Fine Arts degree in Education. He has participated in academic and drama competitions since high school and has judged many Oklahoma Secondary School Activities Association academic tournaments.

During college, Mr. White worked closely on several theater productions at UCO and loves the level of creativity he's been able to experience there. He considers it very important that scholars learn how to give a speech and perform on stage, as it sets them up for success as adult public speakers. Debate and drama also give scholars a creative outlet to grow and develop critical thinking skills.

In his free time, Mr. White can be found antique and/or vintage shopping or at a nature park with his dog, Baxter the Corgi. He loves travel and nature, and is planning to visit every national park someday, with his dog!
