

Randy Burghart

ACE (Academic Center for Enrichment) and Empowerment Through Career (ETC)

Randy Burghart graduated from Oklahoma City Community College with an Associate of Science degree in pre-education. He earned a Bachelor of Science degree in education from the University of Central Oklahoma.

Much of Mr. Burghart's life has involved teaching in one form or another. He spent a considerable amount of time in law enforcement and was the site manager of the Harn Homestead Museum before returning to school to complete his education.

Mr. Burghart taught sixth grade science and social studies at Canyon Ridge Intermediate School and eighth grade science at Mustang Middle School. He is excited to return to ASTEC; he was a ropes course facilitator and helped with outreach programs when ASTEC was at Oklahoma City University many years ago.

Mr. Burghart is the coordinator for ASTEC's Personalized Learning Academy (PLA) and the Empowerment Through Career (ETC) internship program.

His wife is the executive director of a non-profit law firm. He and his wife have two sons; one is working and is an eight-year veteran of the Army National Guard. The other is a seventh grader at Classen School of Advanced Studies majoring in classical guitar.

Outside of school Mr. Burghart enjoys camping, hiking, and backpacking. He takes several multi-day backpacking trips and camps many nights each year. He is a lifelong Boy Scout, an Eagle Scout, and the Scoutmaster of a local Scouts BSA troop.
